L'Chaim Chabad & MHC

Our Commitment

At L'Chaim Chabad & MHC we consider the health, safety and wellbeing of all children and young people to be our highest priority. We strive to ensure the safety and wellbeing of children and young people, in particular, through our Safeguarding Children Commitment Statement.

Our Safeguarding Children Commitment Statement has been adopted by our board and Management. It underpins a set of policies and procedures in relation to the protection of children and young people which guide:

- the screening and recruitment of our personnel
- the behaviour of our personnel towards children and young people
- the induction and training of our personnel about safeguarding children and young people
- our open and effective communication with children and young people and their parents
- our responses to the abuse and neglect of children if it occurs and
- our maintenance of a safeguarding culture in the organisation.

Our personnel are required to:

- undergo an extensive screening process including a National Criminal Records Check and/or a Working with Children Check
- behave professionally and with care towards children and young people including not acting outside the boundaries of their duties or using their position with the

We are dedicated to protecting the children and young people in our community and have undertaken training and policy development with the Australian Childhood Foundation Safeguarding Children and Young People Program.

Responding to Child Abuse Reports and Allegations

We consider any form of child abuse including emotional, physical and sexual abuse, family violence, grooming or neglect as intolerable under any circumstances. We have a legal, moral and mission driven responsibility to protect children and young people from harm and to ensure that any incident of suspected child abuse is promptly and appropriately dealt with. Our personnel are required to report suspected child abuse to their direct supervisor/manager and the child protection authorities or the police. L'Chaim Chabad & MHC will co-operate with the child protection authorities and police and other agencies as required by law.

L'Chaim Chabad & MHC Practice & Behaviour Guidelines (Safeguarding Code of Conduct)

L'Chaim Chabad & MHC personnel and volunteers are required to maintain the highest standards of professional conduct towards children and young people. We have developed Practice & Behaviour Guidelines to identify and prevent behaviour that may be harmful to the children and young people in our care. The following is a summary to those Guidelines.

Transport

Children and young people are to be transported only with prior authorisation from a parent/guardian and an authorized L'Chaim Chabad & MHC staff member or volunteer. Our personnel are NEVER to give children or young people casual lifts. To gain approval for transport, our personnel are required to submit details about the proposed journey including the form of transport, the reason and details of who will be present.

Overnight Stays

Overnight stays are only to occur with the authorisation of a parent/guarding and L'Chaim Chabad & MHC management. Standards of our personnel conduct during an overnight stay must be consistent with the practices and behaviour expected during delivery of our programs and services at other times. Standards of conduct that must be observed include:

- Providing children and young people with privacy when bathing and dressing
- Not leaving children or young people under the supervision or protection of an unauthorised person such as hotel or our personnel
- The right of children or young people to contact their parents, or others, if they feel unsafe, uncomfortable or distressed during the stay

Physical Contact with Children and Young People

Any physical contact with children and young people must be appropriate to the delivery of the programs and services and based on the needs of the child or young person (such as to assist or comfort a distressed young person) rather than on the needs of our personnel.

Positive Guidance

We aim to make children and young people aware of the acceptable limits of their behaviour. There are times when our personnel may be required to use appropriate behaviour management strategies to ensure an effective and positive environment and the safety and/or wellbeing of children, young people or personnel participating on our programs and services.

Any behaviour management strategy used must be fair, respectful and appropriate to the developmental stage of the children or young people involved

The child or young person is to be provided with clear directions and given an opportunity to redirect their misbehaviour in a positive way. Under no circumstances are our personnel to take disciplinary action involving physical punishment or any form of treatment that could reasonably be considered as degrading, cruel, frightening or humiliating.
